## Port Facts

1225 Main Street Beaumont, TX 77701  
P.O. Box 2297 Beaumont, TX 77704

- Situated 84 miles east of Houston and 270 miles west of New Orleans, the Port of Beaumont is accessible from the Gulf of Mexico and Intracoastal Waterway via the federally maintained Sabine-Neches Ship Channel, 42 miles upstream from the Gulf.
- The 51st Texas Legislature created the port in 1949 as a political body and governmental entity of the State of Texas. The Port is governed by six elected Commissioners.
- Three major rail carriers, five major roadways and steamship lines representing nearly all the nations of the world serve the Port of Beaumont. The Gulf Intracoastal Waterway connects the port to inland terminals nationwide.
- More than \$74 million in capital improvements recently completed include new interchange and holding rail space and additional infrastructure improvements.
- A new Capital Improvement Plan for 2018 announced \$169.2 million in improvements to the Port of Beaumont.
- The port's Orange County Terminal includes 250 acres on the east bank of the Neches River. The site includes a 650-foot cargo wharf and a new state-of-the-art petroleum terminal that handles unit trains up to 120 cars. The terminal is a public-private partnership. The Jefferson Energy Terminal handles crude by rail pipeline and truck. A barge dock was added to serve domestic and foreign destinations. Additional rails, tanks and a pipeline are under construction.
- A new \$5.4 million office complex built in 2008 houses the U.S. Surface Deployment and Distribution Command's 842nd Transportation Battalion.
- With one berth and three loading spouts, the Port of Beaumont's 3.5 million bushel grain elevator has a loading capacity of 80,000 bushels per hour. Louis Dreyfus Commodities leases and operates the elevator.
- The port's primary general cargo wharf is Harbor Island Marine Terminal, which consists of 345,000 square feet of transit sheds and 1,880 feet of berthing space rest with rail service, and 27 acres of all-weather open storage.
- All Port of Beaumont wharves are secured with a chain link, barbed wire-topped security fence. Vehicles access port property only through a main gate guarded 24 hours a day.
- Jefferson County Sheriff's Department marine and aerial patrols provide additional security and the U.S. Coast Guard is the federal agency which enforces the Maritime Transportation Security Act (MTSA.)
- Heavy lift capabilities are provided by port cranes and stevedore owned cranes.
- Kinder Morgan's Terminal has 2 million tons of storage capacity for dry bulk cargo and a rail to ship facility that handles transfer of free-flowing dry bulk cargo.
- The port serves as a layberth for three Ready Reserve Fleet ships for the U.S. Maritime Administration, the Cape Texas, Cape Trinity and Cape Taylor.
- Primary cargoes handled by the port include forest products, steel, aggregate, bulk grain, military cargo, crude oil, project cargo and USDA PL-480 bagged goods.
- The Sabine-Neches Ship Channel is being deepened to 48 feet under a plan recently approved by the U.S. Army Corps of Engineers and Congress.
- The Sabine-Neches Waterway handles about 125 million tons of cargo per year.
- The Port of Beaumont is one of 22 military strategic ports within the National Port Readiness Network.
- The Port of Beaumont is recognized as the #1 Strategic Military Cargo Port in the World
- The Port is responsible for 12,608 Direct, Indirect, Induced and Related User Jobs
