

NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of 0.109105 per \$100 valuation has been proposed by the governing body of **Port of Beaumont**.

PROPOSED TAX RATE	\$0.109105 per \$100
NO-NEW REVENUE TAX RATE	\$0.128163 per \$100
VOTER-APPROVAL TAX RATE	\$0.111326 per \$100
DE MINIMIS RATE	\$0.114692 per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for Port of Beaumont from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval tax rate is the highest tax rate that Port of Beaumont may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for Port of Beaumont exceeds the voter-approval tax rate for Port of Beaumont.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for Port of Beaumont, the rate that will raise \$500,000, and the current debt rate for Port of Beaumont.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that Port of Beaumont is not proposing to increase property taxes for the 2020 tax year.

A public meeting to vote on the proposed tax rate will be held on September 28, 2020 at 10:00 AM at the Port of Beaumont Administration Building, 1225 Main Street, Beaumont, Texas 77701.

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, Port of Beaumont is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting Board of Commissioners of Port of Beaumont at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
